

Dear parents

COVID-19 is impacting communities around the world. Stopping the spread of this PENDING is a responsibility we all have to share. In this hour of crisis Red Roses Public school stands united with our country and also concerned for students' health and well-being of their families.

We pray almighty that all our Parents and students may come out fit and fine from this hard time.

Usually at this time in the beginning of new session every year, School blooms with cheering sound of students. Every student seems joyful while entering in new class, meeting new subject teachers, starting new course and activities. But prevailing situation has left school building waiting for enlightening presence of students. We are missing our lovely students.

School is making every effort to engage students in constructive activities daily along with their teachers using digital platforms/online teaching. They are engaged in doing assignments and learning through videos prepared by their teachers. Please, remember, these lessons are designed to

reinforce and enrich student skills while schools are closed. I would like to thank all my dedicated staff members, administration deptt., without whose support these classes and office work was not possible

The next few weeks will not be easy. There will be mistakes, problems, and concerns along the way. However, there will be more successes, happiness, hope, laughter & fun! We understand many of you are doing work from home, have financial concerns, health issues, etc. We are here to patiently support our students and you throughout this challenging time. Please do not stress over the school work via distance learning. Frustrations are high due to our circumstances and we

don't want to increase the stress on our families. We are going to do our best to provide schoolwork to keep our students' minds moving forward

We also seek your support in taking care of students by providing them healthy and nutritional food, Lot of fluids and juices. We also expect you to engage them in petty household activities enabling them to inculcate sense of responsibility towards family.
